Re: *De minimis Settlement*
216 Paterson Plank Road
Carlstadt, New Jersey

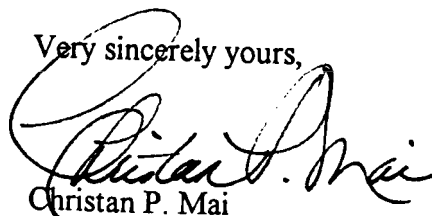

Dear Ms. Yu:

To assure that everyone has received our request for participation in the Proposed De Minimis Settlement and the related information requested, enclosed is a copy of a single Special Waste Manifest for the collection of 2300 gallons of mixed solvents on July 21, 1978 from Cities Service's facility at Cranbury, New Jersey.

Waste lists previously reviewed by us showed this gallonage being attributed to *OXY USA Inc.*, the corporation that is indemnifying the successor to *Cities Service Company* in respect of the liabilities alleged regarding this Site. This difference in names has caused some prior confusion.

This communication to you follows earlier correspondence on August 12 and August 27, 1996 to Ms. Cristiano. Please feel free to call me at (918) 561-4446 or contact me at the addresses above if any question is presented, or any further information needed.

Very sincerely yours,

Christan P. Mai
